SPENCE PAPERS

In 1965, Mrs. M. Spence Harvin lent the Library, for copying, letters written by her grandmother Margaretta Deaderick (Wendel) Spence to Mrs. Spence's son, Joseph Spence, Jr. Included with the letters were several manuscript fragments which were also copied. Mrs. Harvin gave also a typescript copy of a letter written by Mrs. Spence for her grandchildren, telling about her coming to Texas. Some notes on the family given by Mrs. Harvin were also included. The material is classified under Mrs. Spence's name.
