BROOKS - HARRISON FAMILY PAPERS

Upon the death of Miss Alice Harrison, her nephew Mr. Henry Brooks, in April 1967 gave the Library permission to remove from the family home any papers or books that seemed appropriate for inclusion in the Austin-Travis County Collection. Represented in the papers are letters to and from Judge and Mrs. Victor L. Brooks, their parents and other relatives, their children and Mrs. Brooks' sister, Miss Alice Harrison. Placement of books and Austin File material has been noted on the donor card, and the remainder of the material has been divided as follows:
