HOUSE (E.M.) CORNERSTONE CONTENTS

In June 1967, when the E. M. House home at 1704 West Avenue, was being demolished, Mr. Carl Stautz, the present owner of the property, gave the Library the small box which had been placed in the corner stone in April 1891. Vandals had made a dent in the box, and time and atmospheric conditions had deteriorated the photographs almost to the point of disintegration. Aside from two coins, which Mr. Stautz wished returned to him, the cornerstone contents have been classified as follows:
