TRAVIS COUNTY - ELECTIONS

These manuscript returns from early Travis County elections, formerly kept at the courthouse, were placed in the Austin - Travis County Collection in 1959 by Mr. Stuart Harris. They were originally cataloged as part of the Travis County records, but in order to protect them better, they were, in October 1968, recataloged as a family paper and placed in the archives. The papers are divided and cataloged as follows:

A

Travis County - Elections, 1839-1850.

Election returns, poll lists, ballots, etc. from various Travis County precincts. Some returns from elections each year, but not a complete file.

2. Comanche, Travis County.

B.

Travis County - Elections, Dec. 2, 1873

Election returns of the Texas general election held December 2, 1873, from precincts 1-22, though return sheets are missing for some of the precincts. Besides the contest for governor between E. J. Davis and Richard Coke, returns for other state officers are included.
