TEXAS. STATE CEMETERY

This material, consisting of correspondence and documents pertaining to the reburial of Republic of Texas heroes, was placed in the Austin-Travis County Collection in the 1950s by the Austin Heritage Society. In 1968 it was cataloged as a family paper.

L. W. Kemp of Houston gathered most of the information and contacted the descendants of these early heroes. Thurlow B. Weed was contractor for the removal and reburying.

The material has been left in the order arranged by the Heritage Society.
