

PENNYBACKER PAPERS

In 1969, Miss Mary Rice brought the library a letter written by Mrs. Anna McLaughlin J. (Hardwicke) Pennybacker to Joseph Lindsey Henderson and his wife, Katherine (Dorsey) Henderson. This letter, dated August 5, 1895, has been classified as a family folder.

In June, 1970, the Library was given by an anonymous donor a 1898 edition of Mrs. Penny backer's A New History of Texas. Since the 1900 edition was catalogued this book was added to the family papers.
