WILLIAMS PAPERS

Mr. J.R.Williams, a long-time friend and donor ~~of~~ to the Austin-Travis County Collection, in July, 1964, gave the library a number of items of such value that it seemed wise to hold them together as a Family Paper. In April, 1969, Mr. and Mrs. Williams gave the Collection another and larger mass of material. The material from the Paper was added to the larger, newer gift and the whole was classified as listed below. Much of the Williams material was collected by Dr. Alexander Dienst, noted early collector of Texana and father of Mrs. Williams. Dr. Dienst's notes on the various letters are in themselves a valuable acquisition.

Mr. Williams gave more material in September, 1971 and August, 1972. These items were added to this collection and the AF. Location of the items was noted on the Donor sheet.
